

Veterinary and Comparative Clinical Pathology

Announcement & Third Call for Delegates, Presenters, Exhibitors, & Sponsors for the

13th Conference of the **ESVCP / ECVCP**

Jointly with the 9th Conference of the **AECCP**

and the 12th Conference of the **ACCP**

In Collaboration with the **ASVCP**

(ie Eu Soc & College of Vet Clin Path; Assoc of Eu Comparative Clin Pathologists, Amer Soc of Vet Clin Pathologists, Assoc for Comparative Clin Path)

**Aug 31st to Sept 3rd 2011 at Trinity College,
Dublin City Centre, Ireland**

- **Lectures and free oral and poster communication streams**, including Keynote Speakers, in
 - a) Clinical Biochemistry – potent biomarkers, optimization of use, endocrinology
 - b) General Clinical Pathology - pathophysiologic basis of clinical pathology change
 - c) Haematology – infectious diseases of blood, novel parameters of modern haematology analysers, cytochemical and immunocytochemical diagnostics, bone marrow
 - d) Cytology – evidence-based approach, urinary sediment, lymphoma
 - e) Laboratory Management – quality assurance
- **Toxicologic Clinical Pathology stream**
- **Clinical Pathology Technology Exhibition**
- **Remarkable Cases session**
- **Resident Training - Coaching Session**
- **Breakfast round-table sessions with the experts**
- **Irish-interest session:**
 - “Clinical Pathology of Canine / Equine Athletes”
- **Concurrent ESVCP and ECVCP annual meetings**
- **Irish social half-day and Irish Banquet**

Registration: a) 100 € for ECVCP / ASVCP Resident, or ESVCP Student (with accepted abstract for poster / oral presentation submitted before June 15th); b) 200 € for ESVCP members and Veterinary Ireland members registered and paid up before July 1st; c) 300 € for late registrants or non-members; d) 150 € for one day attendance

ABSTRACT FOR SUBMISSION FOR THE ESVCP 2011 CONFERENCE

A.J. Smith¹, C.D Jones², H. Chen², ¹Department of Clinical Pathology, University of Hastings, Devon, UK and ²Vet Labs, Paignton, Devon.

Please read carefully and follow these ten points. 1) Abstract submission provides assurance: a) of adherence to rules, and scientific validity of presentation. b) that reported investigations involving animals have been conducted in compliance with guidelines for experimental procedures as set forth in the NIH "Guidelines for the Care and Use of Animals" or equivalent, as applicable. c) That this work will not be presented in any form at a national or international meeting prior to this meeting. 2) Abstracts should be informative, containing: a) **Background:** b) The study's specific **Objectives:** unless given by the title. c) Brief statement of **Methods:** if pertinent. d) Summary of **Results:** obtained. e) Statement of **Conclusions.** Subsections should be bolded and followed by a colon. It is NOT SATISFACTORY to state "results will be discussed." 4) An abstract may be rejected for publication if submission instructions are not followed. If accepted, your author-prepared abstract will be published exactly as it appears here. ESVCP is not responsible for author errors. 5) Fill in all requested information in the abstract submission form. 6) Abstracts will be peer-reviewed. 7) All abstracts must be in plain text, in English with no embedded symbols or formatting characters. Submissions may not include charts, graphs, pictures, tables or references. Please use words to spell out symbols. 8) Abstracts may not exceed 300 words (including title, authors and body). 9) Type abstract title in all capital letters. Include a listing of all authors (use initials for first and middle name and spell out the last name, do not include degrees) and their corresponding departments and affiliation/institution. 10) Indent the first line of each paragraph.
